

Granagh Development Association Community Energy Survey

With funding from SEAI, Granagh Community Group has engaged Tipperary Energy Agency to carry out a Community Energy Plan. This will give an overall picture of energy use in the area and make recommendations on how Granagh community can become more energy efficient and self-sufficient. Please complete this home energy survey. This information will be used in completing the energy plan and will also allow us to follow up with homeowners who wish to find out more about the costs and grants available for home energy upgrades. Please note, all information entered is for the purposes of the Energy Plan only. It will only be used by Tipperary Energy Agency and will not be shared with any 3rd parties. If you prefer to remain anonymous, you can choose not to enter your contact details.
